Dear Friends,

In lieu of a newsletter this month, we wanted to send you some highlights from our fourth year. We also wish you and your family a wonderful Christmas season.

In 2008:

- Ministered to many new prayer recipients, in addition to those who continue to come to Bethsaida House for their present needs. Because our services are free, we continue to reach a segment of our community who could not afford personal care.
- Began advertising on 103.7 THE TRUTH and have had a steady number of appointments stemming from the commercials.
- Continued intercessory prayer groups three times a week to pray for those needs called in and emailed from around the world.
- Held classes here at Bethsaida House on healing prayer, intercession, and the Holy Spirit; we also had the opportunity to teach about healing prayer at a few local churches.
- Witnessed victories over cancer, financial difficulties, depression, unemployment, broken relationships, troubled marriages, and so much more! Praise God for letting us see!

On the horizon in 2009:

- School of Healing Prayer, Level 2.
- Training for new prayer teams.
- Opportunities for confession and absolution.
- Availability for home and hospital visits.
- Dedicated prayer times for diseases and afflictions we have seen increasing in our community, such as Cancer, Crohn's, diabetes, neurological disorders (especially among children), marriages, and addictions.

As we gear up for 2009, we hope you will commit to pray earnestly for the work we are doing, and we would love for you to join us here. We also ask you to consider making a financial contribution to help us continue our ministry. A donation in any amount will go a long way toward our mission: To bring the healing Christ to the broken and hurting.

On behalf of the board, volunteers, and myself, thank you once again. God bless you for all you have done, are doing, and are planning to do for His glory.

In Christ,

[Jesus] said, "This is what the kingdom of God is like. A man scatters seed on the ground. Night and day, whether he sleeps or gets up, the seed sprouts and grows, though he does not know how. All by itself the soil produces grain—first the stalk, then the head, then the full kernel in the head. As soon as the grain is ripe, he puts the sickle to it, because the harvest has come." Mark 4:26-29
